

**REMARKS**

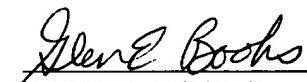

At the outset applicant's wish to thank the Examiner for allowance of claims 1-7 and 10-14 and for indication of allowable subject matter in claims 8 and 9.

Claims 8 and 9 have been amended to make them dependent on claims which provide all necessary antecedent bases. Specifically, claim 8 was rejected under 35 U.S.C. § 112 for lack of an antecedent basis for the term "said electrodes". Claim 8, as amended, now depends on claim 12 which includes the electrodes.

Claim 9 was rejected under § 112 for lack of an antecedent basis for "said polymer". As amended, claim 9 now depends on claim 13 which recites the polymer.

In view of the foregoing it is believed that claims 8 and 9 now fully comply with the provisions of 35 U.S.C. § 112 and that all claims are now in condition for allowance. Reconsideration and favorable action in this regard is therefore earnestly solicited.

Respectfully submitted,
